

Presenter Guidelines for Accepted Abstracts

Organized sessions

Dear Presenter,

Congratulations on the acceptance of your abstract for presentation at the World Congress on Public Health.

To ensure a smooth and well-organized programme, please carefully review the following guidelines regarding your presentation, file submission, and registration requirements.

All presentations must be delivered **in person**. Virtual presentations will not be possible.

Please ensure that the co-authors and presenters are correctly listed on the platform. You will be able to modify on the abstract platform them until **17th April**.

Registration Requirement

All presenting authors must register for the congress.

- **Registration deadline: 30 April 2026**
- If the presenters have not registered by this deadline, the session will not be included in the final programme.
- Registration can be completed here: [\[registration link\]](#)

It is the responsibility of the submitting author to ensure that all presenters are registered and present to deliver their presentation.

Organized Sessions

- Total session duration: 55 minutes
- The submitting author is responsible for organizing the session structure and ensuring the session runs within the allocated time.

All speakers in organized sessions should arrive at least 15 minutes before the session begins at the meeting room.

Presentation File Upload

If your session requires a presentation, please make sure to upload it in advance.

[Please see the organized sessions instructions for more detailed information.](#)

Programme Information

Detailed session schedules, including presentation times and room assignments, will be published in the final programme closer to the congress date.

Travel grants

Please note that the deadline to apply for travel grants has passed, and no additional travel support can be provided.
